MINIMUM FILING REQUIREMENTS

The following information is to be used as a quick reference for determining the minimum income level that, when reached, would require a taxpayer to file both Federal and Missouri Income Tax returns. The difference between federal and state requirement is the personal exemption amount. Section 143.481, RSMo, states the filing requirements of a Missouri resident and nonresident, which includes in it the requirement to file a federal income tax return.

<u>Marital Status</u>	<u>Federal AGI</u>	<u>Missouri AGI</u>
Single	\$ 8,950	\$ 7,550
Single (Over 65)	10,300	8,900
Married Filing Jointly	17,900	15,100
Married Filing Jointly (1 over 65)	18,950	16,150
Married Filing Jointly (Both over 65)	20,000	17,200
Head of Household	11,500	11,500
Head of Household (over 65)	12,850	12,850
Married Filing Separate	3,500	2,100

Filing Requirements

You do not have to file a Missouri return if you are not required to file a federal return.

If you are required to file a federal return, you may not have to file a Missouri return if you:

- are a resident and have less than \$1,200 of Missouri adjusted gross income;
- are a nonresident with less than \$600 of Missouri income; or
- your Missouri adjusted gross income is less than the amount of your standard deduction plus the exemption amount for your filing status.

Note: If you are not required to file a Missouri return, but you received a Form W-2 stating you had Missouri tax withheld, you must file your Missouri return to get a refund of your Missouri withholding. If you are not required to file a Missouri return and you do not anticipate an increase in income, you may change your Form MO W-4 to "exempt" so your employer will not withhold Missouri tax.

ATTENTION: If a taxpayer is claimed as a dependent on another person's return, the standard deduction is the greater of \$900 or the earned income for the year plus \$350 up to the standard deduction amount.

SELECTING THE CORRECT RETURN

- I. **Form MO-1040** (long form) must be used if:
- Miscellaneous tax credits (taken on Form MO-TC) are claimed;
 - Form MO-NRI or Form MO-CR is used;
 - Any Missouri modifications claimed other than a state income tax refund subtraction;
 - You owe a penalty for underpayment of estimated tax;
 - You are filing an amended return;
 - You owe recapture tax on low income housing credit;
 - You owe tax on a lump sum distribution included on Federal Form 1040, Line 44;
 - You are a member of a nonresident professional athletic team or a professional entertainer;
 - Payment is made with Form MO-60;
 - You are claiming a deduction for **dependents** age 65 or older;
 - You are a fiscal year filer.

- II. **Form MO-PTC*** must be used if:
You are **not filing** an individual income tax return (Form MO-1040 or MO-1040P) and you qualify for a property tax credit;

*Form MO-PTC should be filed **ONLY** if not filing a federal or a state individual income tax return; otherwise, use Form MO-PTS with Form MO-1040 or MO-1040P.

Exception: If your filing status on Form MO-1040 is married filing combined, but you and your spouse lived at different addresses the entire year, you may file a separate **Form MO-PTC**. (Example: One spouse lives in a nursing home or residential care facility while the other spouse remains in the home the entire year.) If filing a separate **Form MO-PTC**, you cannot take the \$2,000 deduction on Line 7 and you cannot calculate your Property Tax Credit on the Form MO-PTS.

This is the 2008 Missouri Form MO-1040P, a tax form for individuals. It includes sections for personal information, income, deductions, and tax credits. The form is titled '2008 Missouri Form MO-1040P' and has a '2008' label in the top right corner.

III. Form MO-1040P may be used if:

- Any filing status is claimed;
- One or two income earner; all earned in Missouri;
- Standard or itemized deductions;
- Your state income tax refund is included in your federal income (if itemized last year);
- You claim a pension exemption (private or public);
- Estimated tax payments were made;
- Resident, nonresident, or part-year resident with 100 percent Missouri source income.

This is the 2008 Missouri Form MO-PTS, a tax form for individuals. It includes sections for personal information, income, deductions, and tax credits. The form is titled '2008 Missouri Form MO-PTS' and has a '2008' label in the top right corner.

IV. Form MO-PTS must be used if:

- Filing Form MO-1040P and claiming the Property Tax Credit;
- Filing Form MO-1040 (long form) and claiming the Property Tax Credit.

This is the 2008 Missouri Form MO-1040A, a tax form for individuals. It includes sections for personal information, income, deductions, and tax credits. The form is titled '2008 Missouri Form MO-1040A' and has a '2008' label in the top right corner.

V. Form MO-1040A may be used if:

- Any filing status, but only one income earner, all earned in Missouri;
- Standard or itemized deductions;
- Your state income tax refund is included in your federal income (if itemized last year);
- Resident, nonresident, or part-year resident with 100 percent Missouri source income;
- Do not have any tax credits or modifications to your income.

MISSOURI ADJUSTED GROSS INCOME

The starting income on the Missouri tax return is the federal adjusted gross income from Federal Form 1040, Line 37; or from Federal Form 1040A, Line 21; or from Federal Form 1040EZ, Line 4.

To compute Missouri adjusted gross income, any positive and/or negative modifications to federal adjusted gross income must be computed first on Form MO-A, Part 1. The positive and/or negative modifications are entered on Form MO-1040, Lines 2 and 4 respectively. Examples of negative modifications are exempt federal interest, state tax refund, exempt contributions made to a qualified 529 plan (higher education savings program) and railroad retirement, both Tier 1 and Tier 2. Examples of positive modifications are interest on state and local obligations other than Missouri, nonqualified distributions received from a qualified 529 plan (higher education savings program) which were withdrawn early or not used for qualified higher education expenses, nonresident property tax, and positive adjustments reported from partnerships, fiduciaries, and S corporations of interest in state and local obligations other than Missouri.

NOTE: The subtraction for married individuals with contributions made to a qualified 529 plan is no longer limited to \$8,000 per taxpayer. The \$16,000 qualified subtraction can be used entirely by the primary individual, secondary individual, or split between both individuals.

The following is a list of states that have no state income tax or do not allow property taxes to be deducted. Property taxes paid to these states will need to be added back on the MO-A, Part 1, Line 4.

PENSIONS

Missouri law allows for a deduction for public pensions, private pensions, and social security/social security disability payments on the 2008 Missouri income tax return if certain income limitations are met.

PUBLIC PENSIONS

Public pensions are pensions received from any federal, state, or local government. If you have questions about whether your pension is a public pension, contact your pension administrator.

The income limitations are as follows:

Single, Head of Household, Married Filing Separate, and Qualifying Widow(er)	\$85,000
Married Filing Combined	\$100,000

The public pension exemption will be phased in over 6 years. In 2008 taxpayers will be able to take the greater of either \$6,000 or 35 percent of the public pension amount, whichever is more beneficial. The total public pension exemption is limited to the maximum social security benefit allowed. In the 2008 tax year this amount is \$26,200 per taxpayer.

PRIVATE PENSION

Private pensions are pensions received from private sources. If you have questions about whether your pension is a private pension, contact your pension administrator.

The income limitations are as follows:

Single, Head of Household, Qualifying Widow(er)	\$25,000
Married Filing Combined	\$32,000
Married Filing Separate	\$16,000

The total maximum private pension exemption per taxpayer is \$6,000.

NOTE: The taxable portion of social security benefits is not used for the purpose of determining income limitations for the public and private pensions. Railroad retirement doesn't qualify as a public pension unless you are 100% disabled.

If a taxpayer's income exceeds the limitations for receiving the allowable public/private pension exemption, the taxpayer may still qualify for a partial pension exemption. The pension exemption must be decreased by the amount the taxpayer's income exceeds the income limitations. The public/private pension exemption is reduced by one dollar for every dollar that the taxpayer's income exceeds the limitation.

SOCIAL SECURITY/SOCIAL SECURITY DISABILITY EXEMPTION

Individuals may take an exemption for social security and disability social security benefits. The maximum exemption percentage will be phased in over 6 years, the first year being 35 percent of the taxable amount. To qualify the taxpayer must be 62 years of age or older or receiving Social Security Disability benefits. If the taxpayer is qualifying based on being over 62, the "over the age of 62" box will need to be checked or the exemption will be disallowed.

The income limitations are as follows:

Single, Head of Household, Married Filing Separate, and Qualifying Widow(er)	\$85,000
Married Filing Combined	\$100,000

If a taxpayer's income exceeds the limitations for receiving the allowable social security/social security disability exemption the taxpayer may still qualify for a partial exemption. The social security/social security disability exemption must be decreased by the amount the taxpayer's income exceeds the income limitation. The exemption is reduced by one dollar for every dollar that the taxpayer's income exceeds the limitation. Complete Form MO-A, Part 3, enter the total of the public pension, private pension, social security/social security disability exemptions on Form MO-1040, line 8.

PERSONAL EXEMPTION AMOUNTS

The filing status claimed on the Missouri return must be the same as the status claimed on the federal return. However, the dollar amount of personal exemptions is different.

<u>STATUS</u>	<u>AMOUNT</u>
Single	\$2,100
Married Filing Combined	4,200
Married Filing Separate	2,100
Married Filing Separate (spouse not filing)	4,200
Head of Household	3,500
Qualifying Widow(er) (with dependent child)	3,500
Claimed as Dependent on another return	0
Each Dependent claimed on the federal return other than yourself or your spouse	1,200
Each Dependent who is 65 years of age and older who resides in the taxpayer's home or who lives in dependent's home who does not receive Medicaid while living in a facility licensed pursuant to Chapter 198, RSMo.	\$1,000

NOTE: The 2008 Federal personal exemption is \$3,500.

ITEMIZED DEDUCTIONS / OTHER DEDUCTIONS

ITEMIZED DEDUCTIONS 2008

MISSOURI ITEMIZED DEDUCTIONS

Missouri law requires a taxpayer to start with the federal itemized deductions reported on Schedule A of his/her federal return. If you itemize deductions on your federal return, you may itemize your deductions for Missouri or take the standard deduction, whichever is to your advantage. If the taxpayer does not itemize his/her deductions on the federal return, he/she will not be allowed to itemize on the Missouri return. If the taxpayer is required to itemize on the federal return, he/she must itemize on the Missouri return.

ADDITIONS TO FEDERAL ITEMIZED DEDUCTIONS

Social Security Tax and Medicare Tax
Railroad Retirement Tax (Tier I and Tier II)
Self-employment Tax claimed on Federal Form 1040, Line 27.

SUBTRACTIONS FROM FEDERAL ITEMIZED DEDUCTIONS

The amount of state and local income tax claimed on the Federal Schedule A, less any city earnings tax included in that amount. If Federal AGI is more than \$159,950 or \$79,975 if married filing separately, consult the worksheet on Form MO-A, Part 2.

OTHER DEDUCTIONS

LONG-TERM CARE INSURANCE DEDUCTION

If you paid premiums for qualified long-term care insurance in 2008, you may be eligible for a deduction on your Missouri income tax return. Qualified long-term care insurance is defined as: insurance coverage for period of at least 12 months for long-term care expenses should such care become necessary because of chronic health conditions and/or physical disabilities including cognitive impairment or the loss of functional capacity, thus rendering an individual unable to care for themselves without the help of another person.

HEALTH CARE SHARING MINISTRIES

If you made contributions to a qualifying health care sharing ministry in 2008, you may be eligible for a deduction on your Missouri income tax return. A health care sharing ministry is defined as a faith-based, nonprofit organization that assists members who have financial, physical, or medical needs. To qualify, the taxpayer must be a member of a health care sharing ministry and not have deducted the same amounts on the federal return.

RESIDENT AND NONRESIDENT INFORMATION

FORM MO-NRI

Form MO-NRI is a supplement to the Form MO-1040 and may be used by a nonresident, part-year resident, or military personnel. (It may be filed by itself under the condition noted in bold print below.) Form MO-NRI allows a nonresident, part-year resident, or military personnel to allocate income on the basis of income earned in Missouri divided by income from all sources. This results in a percentage to be used to calculate the Missouri income tax liability. Form MO-NRI includes information for military personnel. Military personnel who are required to file, will need to file a Form MO-NRI with Form MO-1040. **Military personnel who are stationed in Missouri, but not required to file a return, can inform the Department of Revenue electronically that a Missouri income tax return is not required for a particular tax year. This form will apply to tax years 2008 and forward. The online application will be located on the department's website at: <http://dor.mo.gov/tax/personal/military/index.htm>. If informing the department electronically is not possible, complete a MO-NRI and sign the back. The Department of Revenue will record the information from the completed MO-NRI.**

FORM MO-CR

Form MO-CR is a supplement to the Form MO-1040 and may be used by a resident of Missouri who has income from another state and is required to file a return in that state. Form MO-CR allows a credit for income taxes paid to the other state against the Missouri income tax liability.

NOTE: A part-year resident may use Form MO-CR if the part-year resident elects to file a Missouri return as a resident. At NO time will the same taxpayer be allowed to use both Form MO-NRI and Form MO-CR. However, if filing a combined return, it is possible that one spouse could use a Form MO-NRI and the other, Form MO-CR.

EXAMPLE: Taxpayer moves to Missouri during the year and marries a Missouri resident. The Missouri resident has income from another state. The part-year resident elects to file using Form MO-NRI, but the Missouri resident must use Form MO-CR as he/she was a full-year resident of Missouri.

Access www.dor.mo.gov/tax for more information and examples.

MILITARY INFORMATION

MILITARY — GENERAL INFORMATION

The tax status of military personnel under the Missouri Income Tax Law and the Servicemembers Civil Relief Act is determined by home of record. It is mandatory for Military Finance Centers to withhold state tax from a Missouri resident unless he/she qualifies to use the Form MO-NRI. Questions should be directed to Customer Assistance.

MILITARY — HOME OF RECORD — NOT MISSOURI

If the military servicemember's home of record is a state other than Missouri, his/her domicile is in the other state. If the military servicemember is stationed in Missouri, then he/she is not subject to Missouri income tax on his/her military pay nor on any interest or dividend income received from personal investments. Even if the military servicemember is not required to pay Missouri tax, he/she should file a Form MO-NRI, Missouri Income Percentage, to verify the military service member is not subject to Missouri income tax.

The servicemembers Civil Relief Act, H.R.100, prohibits states from including the military income of a **nonresident** servicemember when determining the individual income tax rate for either the servicemember (or the servicemember's spouse on a combined return).

If a nonresident military servicemember or his/her spouse earns \$600 or more of non-military income while in Missouri, that portion of income is taxable by Missouri and a Form MO-1040, Missouri Individual Income Tax Return must be filed. To ensure nonresident military servicemembers receive the benefit of the new law, the military income received by nonresident military servicemembers may be subtracted from their federal adjusted gross income. Check the appropriate box and enter the nonresident military income on Form MO-A, Part 1, Line 9.

MILITARY — HOME OF RECORD — MISSOURI

If the military servicemember's home of record is Missouri, his/her domicile is Missouri. In this case, the person is considered Missouri domiciled and is subject to Missouri income taxes on all income from whatever source including his/her military pay.

The only exception is if the Missouri domiciled individual files a sworn statement (Form MO-NRI) that he/she:

- (a) maintained no permanent place of abode in Missouri during the tax year;
- (b) did maintain a permanent place of abode elsewhere; and
- (c) did not spend more than 30 days of the year, for which they are filing, in Missouri;

then the Missouri domiciled individual is considered a "nonresident" for tax purposes. With a "nonresident" tax status the individual does not pay Missouri income tax on his or her military pay or on interest and dividend income from personal investments.

All Missouri domiciled military personnel who wish to claim a "nonresident" status should file an income tax return (Form MO-1040) each year and enclose with that return Form MO-NRI, Missouri Income Percentage.

Note: If the military person is stationed in Missouri with a Missouri home of record, all income including military pay is taxable. If the military person and their spouse are Missouri residents and the spouse remains in Missouri while the military person is stationed outside of Missouri, the total income (including military pay) is taxable to Missouri.

If the Missouri domiciled military person enters or leaves the armed forces during the year and resides in Missouri prior to entering the military or after leaving the military, the military person's total income (including military pay) is taxable to Missouri. If the military servicemember's home of record is Missouri, his/her domicile is Missouri. In this case, the person is considered Missouri domiciled and is subject to Missouri income taxes on all income from whatever source including his/her military pay.

The only exception is if the Missouri domiciled individual files a sworn statement (Form MO-NRI) that he/she:

- (a) maintained no permanent place of abode in Missouri during the tax year;
- (b) did maintain a permanent place of abode elsewhere; and
- (c) did not spend more than 30 days of the year, for which they are filing, in Missouri;

then the Missouri domiciled individual is considered a "nonresident" for tax purposes. With a "nonresident" tax status the individual does not pay Missouri income tax on his or her military pay or on interest and dividend income from personal investments.

All Missouri domiciled military personnel who wish to claim a "nonresident" status should file an income tax return (Form MO-1040) each year and enclose with that return Form MO-NRI, Missouri Income Percentage.

DOMICILE — DEFINED

"Domicile" is the place which an individual intends to be his/her permanent home; a place to which he/she intends to return to whenever he/she may be absent. A domicile, once established, continues until the individual moves to a new location with true intentions of making his/her fixed and permanent home there. An individual can have only one domicile.

Access www.dor.mo.gov/tax for more information and examples.

ESTIMATED TAXES

Under Missouri law, a taxpayer must file Form MO-1040ES, Estimated Tax Declaration for Individuals, if their tax liability is expected to be \$100 or more and Missouri tax is not withheld.

The Estimated Tax Form (Form MO-1040ES) must be filed on the following due dates:

1st Quarter — April 15, 2009 2nd Quarter — June 15, 2009
3rd Quarter — September 15, 2009 4th Quarter — January 15, 2010

NOTE: If the due date falls on a Saturday, Sunday, or legal holiday, the next business day is the due date.

Failure to pay 90 percent of the tax liability by withholding or estimated tax payments could result in a penalty for underpayment of estimated tax (Form MO-2210).

The department offers these alternative filing methods:

TAX TYPE	FILING FREQUENCY	PAYMENT TYPE	RETURN
WITHHOLDING	Quarterly	TXP or Online	With electronic payment or zero return - teletile or coupon

	Quarter-Monthly	TXP	Teletile, download paper coupon or soon to be released online reconciliation

	Quarter-Monthly	TXP or Online	Mail paper return or teletile zero return
INDIVIDUAL INCOME	MO-1040 or MO-1040ES	Paper Check or Online	Mail paper return or Federal/State E-file

NOTE: An alternative payment method must be used for quarter-monthly sales/withholding tax payments. Paper vouchers are not offered.

To learn more about alternative filing methods, access the department's web site at www.dor.mo.gov/tax/electronic, contact the department at (573) 751-8150, or e-mail elecfile@dor.mo.gov.

The department also encourages electronic/internet filing options for individual income tax. The department received more than 1,600,000 electronically filed returns for the 2007 tax year. Electronically filed returns offer many benefits to the taxpayer including receipt acknowledgment, faster refunds, accuracy, and convenience.

PROPERTY TAX CREDIT CLAIM

The Property Tax Credit Claim is a refundable credit to the taxpayer if certain criteria are met.

A. TAXPAYER 65 YEARS OF AGE OR OLDER*

The taxpayer or spouse must be 65 years of age as of December 31, 2008. If the spouse was 65 or older and died during the year of 2008, the taxpayer would still qualify for the credit, even if he/she is not 65, for the tax year 2008.

B. DISABLED VETERAN

A taxpayer may also qualify for the property tax credit if the taxpayer or spouse is a veteran of the armed forces of the United States or the state of Missouri and the taxpayer or spouse became 100 percent disabled as a result of this service. The income received from VA disability pay is not included in household income.

C. DISABLED PERSON

The taxpayer may qualify for the property tax credit if the taxpayer or spouse is disabled as defined in Section 135.010(2).

Disabled (as defined in Section 135.010(2), RSMo): The inability to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment, which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. A claimant shall not be required to be gainfully employed prior to such disability.

A copy of the taxpayer's Form SSA-1099, SSI benefits, or a letter from Social Security Administration providing the date of disability must be submitted.

NOTE: Minor children do not qualify for this credit.

D. SURVIVING SPOUSE

If you are 60 years of age or older as of December 31, 2008, (born before 1947) and received surviving spouse social security benefits during 2008, you may qualify to claim the property tax credit. Form SSA-1099 must be submitted with filing.

E. ADDITIONAL INFORMATION

1. ***A taxpayer or spouse must have been a resident of Missouri for the entire year of 2008.** If the claimant would have been otherwise qualified for a property tax credit and would have been a resident for the entire 2008 calendar year, but died before the last day of the calendar year, the claimant would still qualify for the credit for 2008.
2. If the taxpayer owns and occupies their own home for the entire year of 2008 the maximum household income cannot exceed \$30,000 for single and \$34,000 for married filing joint. If the taxpayer is a renter or part year owner for tax year 2008, the maximum household income for single is \$27,000 and \$29,500 for married filing joint.

PROPERTY TAX CREDIT CLAIM (continued)

3. If the taxpayer owns the property, he/she must have a **PAID** copy of his/her real estate tax receipt or if the taxpayer rents (which includes nursing homes), he/she must have proof of the amount of rent paid. If the rent is paid to a relative, the relationship to the landlord must be indicated on the Form MO-CRP.
4. If the taxpayer is required to file an individual income tax return and still qualifies for the property tax credit, he/she should attach the Form MO-PTS to the Form MO-1040 or MO-1040P to expedite receiving his/her refund. If the taxpayer is required to file a Missouri individual income tax return and they do not have any modifications, miscellaneous tax credits or other special filing situations, they may file Form MO-1040P and should attach Form MO-PTS to claim their credits and satisfy their tax filing requirement.
5. The following is not included as income on the Form MO-PTC or Form MO-PTS:
 - Gifts/Inheritance;
 - Prior year refunds;
 - Foster grandparent salaries;
 - Life insurance benefits;
 - Food stamps;
 - Sale of personal residence if it is not included in AGI. The claimant must have been a resident in the home at the time of the sale;
 - VA disability pension (for 100 percent service related disabled veteran);
 - Stipend for senior companions;
 - Heating assistance; and
 - Stipend for caring for children with social services.
6. The property tax credit table has lines added to assist taxpayers in figuring their refund. The refund cannot exceed \$750 for renters/part-year owners or \$1,100 for owners.

***Please note the full year residency only applies to claimants 65 years or older. Veterans, disabled individuals, or individuals over 60 years of age receiving surviving spouse benefits, can be part-year residents.**

F. GRANTS

Grants in the claimants name can be included as income on Form MO-PTC, Line 2 or Form MO-PTS, Line 3 and the claimants can take credit for rent paid. Grants in the nursing facility's name, distributed by the nursing facility, are not income to the claimant and cannot be claimed as rent paid.

G. LONG-TERM CARE INSURANCE BENEFITS

Benefit payments made payable to the care facility are not included as income or rent. If the benefit payments are made payable to the claimant, the amount of the payment (not to exceed rent amount) is claimed as income and rent. If the benefit payments exceed the rent amount, the excess is considered taxable income, and should be included as income on Form MO-PTC, Line 2 or Form MO-PTS, Line 3.

H. DOCUMENTATION REQUIRED (This is for AARP/VITA site volunteers)

1. Copy of the property tax receipt (Paid) or MO-CRP (Certification of Rent Paid)
2. Copy of Form 948 (Assessor's Certification), when required.
3. Copy of letter from VA for 100 percent disabled veterans (DOR approved)
4. Form SSA-1099, SSI benefits, a letter from the Social Security Administration providing a date of disability.

Before the Forms MO-PTC, MO-1040P, or MO-1040 are sent, make sure that all the required documentation is attached, double check the address, ensure the social security number is correct, and make certain the return is signed. If the taxpayer is unable to sign his/her name, and another person signs as Power of Attorney (POA), a copy of the POA document must be attached.

2. **You want a Missouri extension but not a Federal extension.** Form MO-60 is due on or before the due date of the return. A copy of Form MO-60 must be attached to the Missouri returns when filed. An approved Form MO-60 extends the due date up to 180 days for the individual, fiduciary, partnership income tax returns, and the corporation return.

You must complete a separate Form MO-60 for each return or report.

INTEREST AND PENALTY

Interest is due on tax not paid on time. For calendar year 2008, interest is computed at 5 percent per annum from the date due until the date paid. Additions to tax for failure to pay on time is assessed at 5 percent of the tax due. For failure to file on time, additions to tax of 5 percent per month, not to exceed 25 percent, is assessed.

KEEP YOUR RECORDS

Taxpayers should keep copies of tax returns and Form W-2 statements for four years.

COMMON MISTAKES ON MISSOURI INDIVIDUAL INCOME TAX RETURNS

1. The tax return is not signed.
2. Necessary documentation is not attached. Examples: Form W-2(s), 1099-R(s), Federal Return (Pages 1 and 2), Federal Schedule A, Form MO-A, Form MO-CR, and other states' returns.
3. The amount of Missouri tax withheld claimed is not correct. City earnings tax and withholding from other states are erroneously claimed.
4. Calculation errors are made on the returns.
5. The amount of Federal tax withheld is claimed as a deduction instead of actual Federal tax liability.
6. Federal Earned Income Credit is incorrectly claimed as a Federal tax deduction on Missouri returns.
7. The wrong filing status box is checked.
8. Total number of dependents claimed is incorrect. The filer incorrectly claimed self or spouse as dependent. The number of dependents is not indicated in the box provided on the tax return.
9. Missouri tax on taxable incomes over \$9,000 is incorrectly calculated.
10. Estimated tax payments are not claimed on the return.
11. The husband and wife incomes do not equal total Missouri adjusted gross income. Income percentages are incorrectly calculated.
12. The amount of standard deduction claimed does not correspond to filing status. Many Federal Form 1040EZ filers incorrectly include their Federal personal exemption in the Missouri Standard Deduction on Form MO-1040A.
